PROTECTION

SILVER AIRFLY EVO ENGINE GUARD

Part No. KXA00341

Give your modern-day cruiser a modern touch with the Air Fly Evo Engine Guard. A lighter, more simplified design fits perfectly on your motorcycle for ease during cruising. Also giving the motorcycle a distinct look while adding a layer of protection. Precisely engineered from a 29mm steel tube for a perfect fit. The silver shine finish enhances the looks and keep up with your cruiser spirit.

BLACK AIRFLY EVO ENGINE GUARD

Part No. KXA00340

Give your modern-day cruiser a modern touch with the Air Fly Evo Engine Guard. A lighter, more simplified design fits perfectly on your motorcycle for ease during cruising. Also giving the motorcycle a distinct look while adding a layer of protection. Precisely engineered from a 29mm steel tube for a perfect fit. The black metallic satin powder coating gives your cruiser a more defined and sleek look.

SILVER COMPACT ENGINE GUARD

Part No. KXA00343

Cruise through the crowd with ease. Add a layer of protection to the upper engine area without compromising on style. The Compact Engine Guard is precisely engineered from 29mm stainless steel tubes for a perfect fit. The polished silver material levels up your style every time. The laser etched Royal Enfield branding on the upright gives a personalised touch giving your bike the perfect cruiser look.

BLACK COMPACT ENGINE GUARD

Part No. KXA00342

BLACK SUMPGUARD

Part No. KXA00299

Add a layer of protection to your Twin 650 engine with the Black Sumpguard.

The Sumpguard provides essential protection to the engine from dirt and debris off the front tyre, or through bottoming out whilst dropping off the edges of kerbs.

The heavy duty pressed aluminium plate is brushed and hard anodised to give a durability in the harshest conditions, with a centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

SILVER SUMPGUARD

Part No. KXA00289

SILVER OIL COOLER GUARD

Part No. 1990556

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road. Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

BLACK OIL COOLER GUARD

Part No. 1990558

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road. Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

Also available in Silver (1990556)

CONTROLS

BLACK ROUND MIRRORS

Part No. KXA00435

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

BLACK ROUND BAR END MIRRORS

Part No. KXA00461

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

BAR END MIRROR MOUNTS

Part No. KXA00277

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM barend finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

BLACK BAR END FINISHERS

Part No. KXA00271

Give your motorcycle that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodized for durability and come with laser-etched Royal Enfield branding for style.

BLACK TAPERED BAR END MIRRORS

Part No. KXA00281

Look back in style on every cruise. Fully homologated Bar End Mirrors that have been cast and moulded with aluminium stems, offer enhanced strength and stability on long hauls.

The Teardrop shape is exquisitely sculpted with laser etched Royal Enfield branding, offering a wider field of visibility for a better view of the road behind you.

Requires KXA00277 Bar End Mirror Mounts
This style also available as Touring Mirrors, KXA00276

BLACK TAPERED MIRRORS

Part No. KXA00276

Look back in style on every cruise. Fully homologated Mirrors that have been cast and moulded with aluminium stems, offer enhanced strength and stability on long hauls.

The Teardrop shape is exquisitely sculpted with laser-etched Royal Enfield branding, offering a wider field of visibility for a better view of the road behind you.

ROYAL ENFIELD

BLACK DELUXE RIDER FOOTPEGS

Part No. KXA00331

"Glide through the highways your way. Add more comfort on long rides with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet-style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Shotgun 650.

BLACK DELUXE PILLION FOOTPEGS

Part No. KXA00250

Glide through the highways your way. Add more comfort on long rides for the pillion with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Super Meteor 650.

KXA00247 BLACK DELUXE RIDER FOOTPEGS are available separately

A close-up photograph of a motorcycle seat. The seat is black with a pebbled leather texture and features several horizontal white stitching lines. The seat is mounted on a teal-colored motorcycle frame. The background is a brick wall.

SEATS

BLACK TOURING RIDER SEAT

Part No. KXA00306

The Touring Rider Seat is specifically designed for riders who want to travel longer distances in style and comfort. It features an enhanced aesthetic with a new cushion profile, premium embroidered branding, and improved quality. Additionally, it mounts in the same way as the OE seat.

The ride height and standover height remains similar to the OE stock seat.

BLACK TOURING PASSENGER SEAT

Part No. KXA00307

"The Touring Passenger Seat is specifically designed for those who want to travel longer distances in style and comfort. It features an enhanced aesthetic with a new cushion profile, premium embroidered branding, and improved quality. Additionally, it mounts in the same way as the OE seat.. The ride height and standover height remains similar to the OE stock seat"

LUGGAGE & ENGINE

MODERN SOFT PANNIERS

Part No. 1990278

A pair of modern-styled rolltop bags constructed from premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners. Each pannier has a volume of 14,5L and can carry a payload of 3kg, providing ample capacity and protection for your next excursion with IPx6 rated waterproofing. Designed for quick attachment and removal from the motorcycle with hand-carry handles and shoulder straps, making them user-friendly and easy to carry.

ROYAL ENFIELD

Designed by Royal Enfield

Marked for assured quality

BLACK SUMP GUARD

Part No. KXA00299

Add a layer of protection to your Twin 650 engine with the Black Sumpguard.

The Sumpguard provides essential protection to the engine from dirt and debris off the front tyre, or through bottoming out whilst dropping off the edges of kerbs.

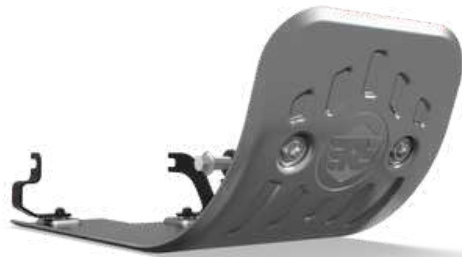

The heavy duty pressed aluminium plate is brushed and hard anodised to give a durability in the harshest conditions, with a centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

Also available in Silver, KXA00289

SILVER SUMP GUARD

Part No. KXA00289

SILVER OIL COOLER GUARD

Part No. 1990556

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road.

Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

BLACK OIL COOLER GUARD

Part No. 1990558

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road. Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

Also available in Silver (1990556)

CONTROLS

BLACK DELUXE RIDER FOOTPEGS

Part No. KXA00247

Glide through the highways your way. Add more comfort on long rides with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Super Meteor 650.

KXA00250 BLACK DELUXE PILLION FOOTPEGS are available separately

BLACK DELUXE PILLION FOOTPEGS

Part No. KXA00250

Glide through the highways your way. Add more comfort on long rides for the pillion with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Super Meteor 650.

KXA00247 BLACK DELUXE RIDER FOOTPEGS are available separately

BLACK ROUND BAR END MIRRORS

Part No. KXA00461

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

BLACK ROUND MIRRORS

Part No. KXA00435

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

BAR END MIRROR MOUNTS

Part No. KXA00277

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM bar end finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

*1990401 & KXA00276 Bar End Mirrors are available separately

BLACK BAR END FINISHERS

Part No. KXA00271

Give your motorcycle that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodized for durability and come with laser-etched Royal Enfield branding for style.

SILVER HANDLEBAR CLAMP

Part No. KXA00220

Expertly sculpted cast aluminium handlebar clamp for your Super Meteor 650. Comes with a Royal Enfield branding to give your cruiser a personalised touch.

HEEL TOE SHIFTER

Part No. KXA00337

Enhance rider comfort with the Heel-Toe shifter designed to ease shifting effort for those long rides. Effortlessly shift up with a heel tap, and down with the toe.

Designed & Engineered for seamless integration, durability and reliability. Supplied with new rubbers & bushings.

SEATS

Premium stitch and material
Premium look and feel

DELUXE TOURING DUAL SEAT KIT

Part No. KXQ00036

Kit includes;

- Deluxe Touring Dual Seat
- Passenger Backrest Mounts
- Passenger Backrest Pad

Combining the Deluxe Touring Seat, Backrest & Pad into a single kit, this will give you a Deluxe Touring package for your Super Meteor with the upmost comfort.

The seat brings a better ergonomic form which follows the contours of the rider and a greatly increased seating area for the passenger, which work together with a foam density optimised through testing and a bespoke designed dual seat base, to give a noticeable difference in both positions. The Backrest & Pad provide lumbar support for the passenger and a set of side mounted hand-holds which both seamlessly integrate with the premium styling of the Super Meteor 650 and elevates it to the next level in terms of comfort.

BLACK PASSENGER BACKREST MOUNTS

Part No. KXA00206

Styled to suit your Super Meteor 650, the Passenger Backrest Mounts provides a mounting structure for the Black Backrest Pad. Made from cast aluminium and finished in a black metallic satin powder coat, it seamlessly flows with the style of your cruiser. With two bolt positions available, the backrest can be tailored to suit your Stock Seat, Deluxe Touring Seat, or the preference of the passenger in order to personalise the space and ergonomics it offers.

Requires KXA00208 Black Passenger Backrest Pad.

Structured design

To support the lumbar of the pillion

BLACK TALL PILLION SEAT

Part No. KXA00334

The 'comfort passenger seat' offers superior cushioning for an enhanced cruising experience for the 'pillion rider' on long rides. It continues to sport a seamless design that complements the overall retro styling of the Super Meteor.

BLACK PASSENGER BACKREST PAD

Part No. KXA00208

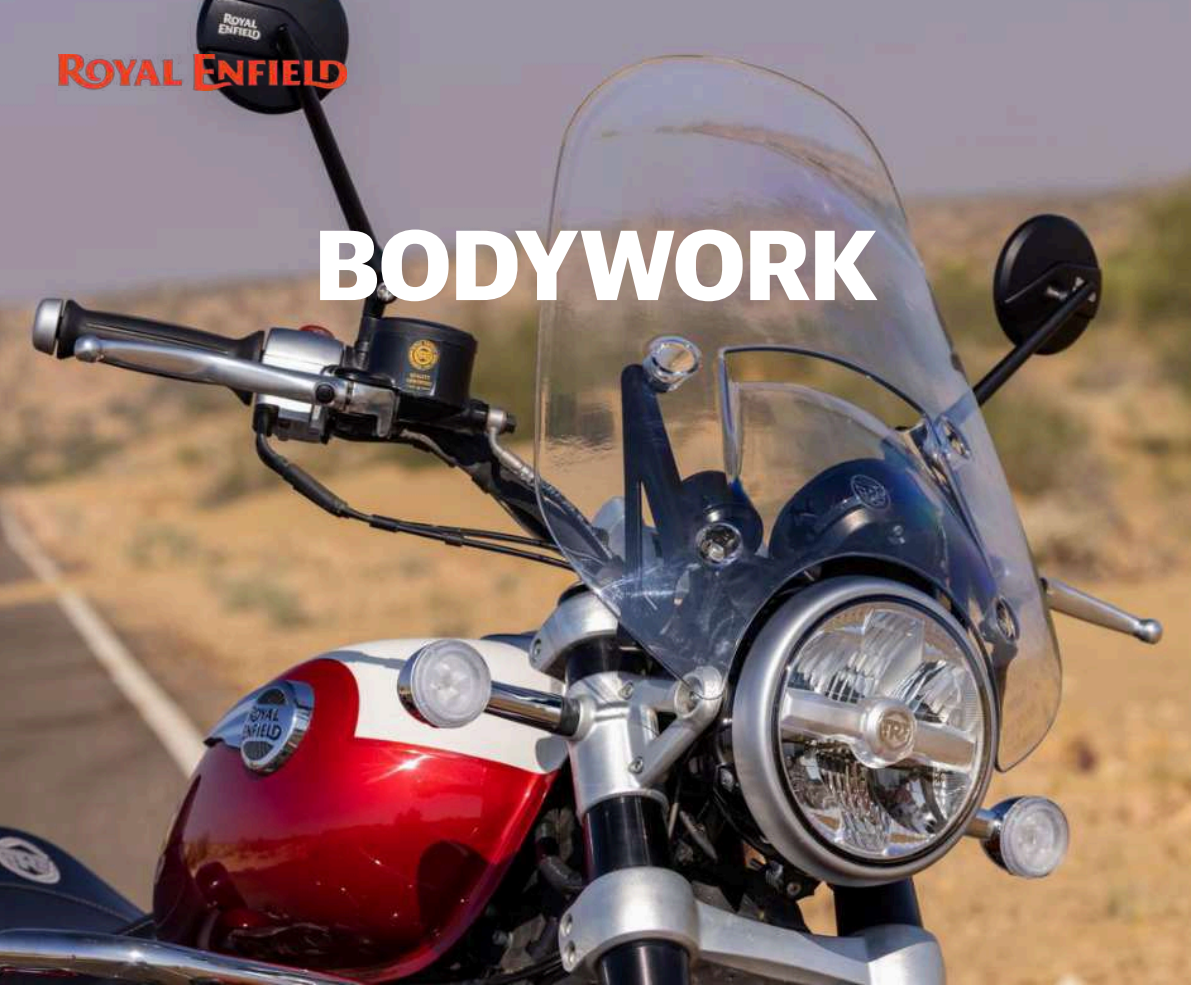

Crafted to suit the Super Meteor 650, the Passenger Backrest Pad combines with the Backrest Mounts to provide the passenger with a comfortable lumbar support on long cruises.

Requires Black Passenger Backrest Mounts (KXA00206).

Touring Flyscreen

TOURING SCREEN

Part No. KXA00224

Cruise through the wind. Equip your Super Meteor 650 with a Touring Screen to reduce fatigue and give you a clear view of the road ahead on long cruises. This hard-coated, injection-molded screen is scratch resistant and comes with a subtle Royal Enfield branding.

The pressure reduction vents help prevent low pressure areas behind the screen contributing to buffeting.

A triangulated mounting kit is included and ensures the screen blade is positioned perfectly.

SILVER SOLO FINISHER

Part No. KXA00222

Get a solo rider look, replace your Passenger Seat with this brush finished solo finisher. It mounts to the same bolt holes as the passenger seat, covering them up and adding to your Super Meteor's cruiser persona.

BLACK BAR END FINISHERS

Part No. KXA00271

Give your Super Meteor 650 that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodized for durability and come with laser-etched Royal Enfield branding for style.

BLACK PREMIUM LONG HAUL PANNIERS

Part No. KXA00254

Bolt On, Load up and Cruise out. Designed especially for your Super Meteor 650 these water-resistant, hard-shell touring panniers provide 35 litres of luggage capacity in total. They open downwards from the side and are lockable with a discretely hidden cable actuated multi-clasp system to keep your belongings secure. This Premium model includes a gloss black painted finish and premium Royal Enfield badge. Sold as a pair, the Long-Haul Panniers are hard mounted to the motorcycle using the KXA00204 Long Haul Pannier Rails (required & sold separately).

*Load capacity 5Kg per box.

BLACK LONG HAUL PANNIER RAILS

Part No. KXA00204

Load up and strap up for the long cruise. The Black Long Haul Panniers Rails are made from 16mm diameter mild steel tubing, these rails are black metallic satin powder-coated to give a durable, corrosion resistant finish. Long Haul Panniers are available separately.

BLACK COMMUTER WATERPROOF INNER BAG

Part No. KXA00082

"Designed to fit the Commuter Pannier, this waterproof roll-top bag will ensure your items are kept safe from the elements. It has a single strap that doubles as a carry handle and has a subtle Royal Enfield branding on both sides.

*Side Box, RH (KXA00076) is available separately."

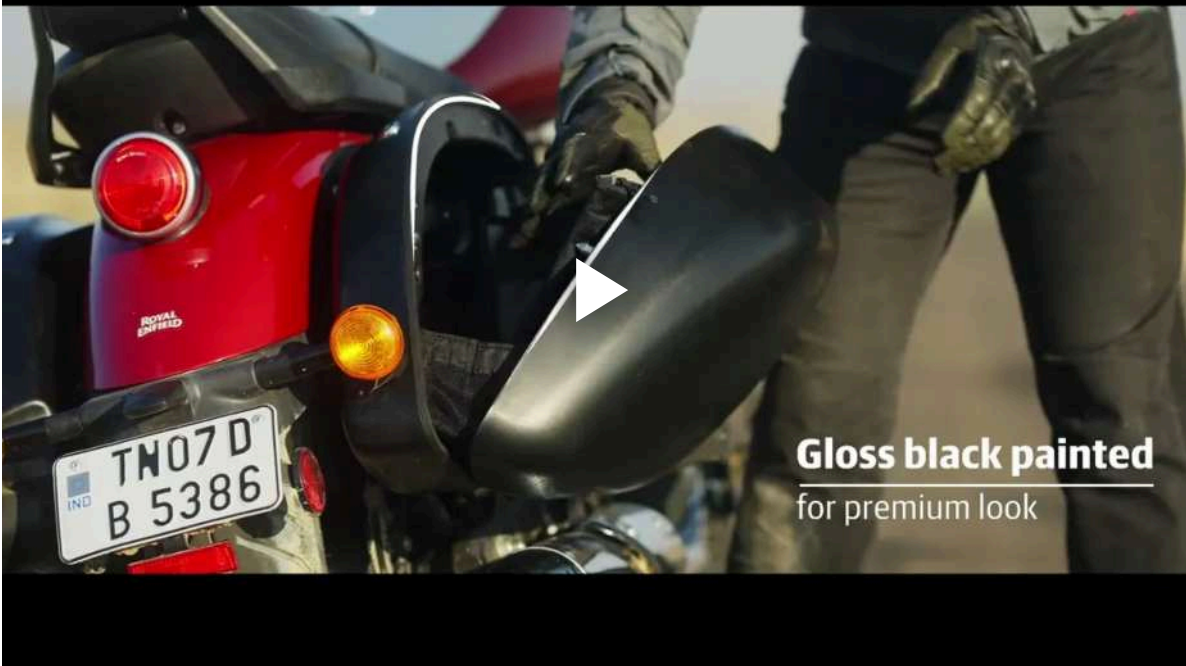

BLACK SOFT PANNIER RAILS

Part No. KXA00257

These mounting rails are black metallic satin powder-coated for durability and include the stainless-steel fixings necessary to secure the motorcycle, which allow you to mount the KXA00256 Black Soft Panniers or 1990278 Modern Soft Panniers with ease.

Ribbed vinyl with white piping

For a premium look

TOURING DUAL SEAT, BLACK

Kit No. 1990482

Who says practicality can't be stylish?

This new breed of Touring seat uses thicker foam for extra comfort and to evenly distribute weight for increased comfort over long distances. A classic ribbed vinyl together with white piping and a stitched logo at the rear will give your motorcycle a premium, vintage look.

Compatible with Interceptor 650 only.

SIGNATURE BENCH SEAT, BROWN

Kit No. 1990481

For the Custom Look. This Brown Signature Bench seat is quilted and stitched for a premium feel. A thin, flat profile gives your motorcycle a new sense of style and the stitched Royal Enfield logo at the rear finishes it off nicely.

Compatible with Interceptor 650 only.

BLACK DELUXE TOURING DUAL SEAT

Kit No. 1990472

The new Black Deluxe Touring Seat takes comfort to a whole new level. This seat has been designed with comfort purely in mind. Dual density foam and 3D net are moulded onto a new wider seat base that increases the sit bone width by 33% over the stock seat. Featured silver stitching and an embroidered RE logo to add more premiumness to the seat.

TOURING DUAL SEAT, BLACK

Kit No. 1990489

Who says you can't be practical and stylish at the same time?

This new breed of Touring seat is designed to give more comfort on longer journeys. It uses soft-touch material to improve the feel of the ride and also comes with 3D net technology which distributes weight evenly as you sit across the saddle. Red stitching and subtle Royal Enfield branding lend it a touch of style so that when you pair it with the Dual Seat Cowl (available separately) you can bring in-line with the café racer's DNA.

Compatible with Continental GT 650 only.

TOURING RIDER SEAT, BLACK

Kit No. 1990495

Make your motorcycle look like a true café-racer.

This new breed of Touring Single Seat uses soft-touch material to improve the feel of the ride and also comes with 3D net technology which offers more comfort by distributing weight evenly as you sit across the saddle. Red stitching finishes off the styling nicely so that when you pair it with the Single Seat Cowl (available separately) you can bring in-line with the café racer's DNA.

Compatible with Continental GT 650 only.

A pair of modern-styled rolltop bags constructed from premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners.

Each pannier has a volume of 14,5L and can carry a payload of 3kg, providing ample capacity and protection for your next excursion with IPx6 rated waterproofing. Designed for quick attachment and removal from the motorcycle with hand-carry handles and shoulder straps, making them user-friendly and easy to carry.

BLACK SOFT PANNIER RAILS

Part No. KXA00478

Designed for a perfect fit for the Classic Soft Panniers (KXA00256), Adventure Soft Panniers (1990270) and Modern Soft Panniers (1990278)*, this mounting kit consists of a rail and Stainless Steel fixings to secure it to the motorcycle. A rubber coating is provided to prevent slippage and to avoid scratches over the panniers. It also features investment cast mount brackets for seamless fitment.

*Panniers are available separately.

BLACK REAR RACK

Part No. KXA00481

A tubular fabricated rear luggage rack with integrated passenger grab handles, designed for fitting a top box or other luggage using tie-down locations.

*Load capacity: 5 kg

PROTECTION

Triangulated back to the frame
Perfectly complementing the stock sump guard

BLACK LARGE ENGINE GUARDS

Part No. KXA00437

Tailored for the Indian market and urban use, the Large Engine Guards offer a wide span and a triangulated back to the frame, perfectly complementing the stock sump guard.

BLACK COMPACT ENGINE GUARDS

Part No. KXA00476

Add a layer of protection to key engine areas without compromising on style or ground clearance. The compact engine guard is minimally styled but structurally engineered to provide protection for the engine cases from static falls. It is made from 22.2mm mild steel tube and has a black dual coating matching the chassis frame for corrosion resistance. This guard is a subtle yet valuable addition to protect your motorcycle.

RALLY PROTECTION

Part No. KXA00400

The 'Rally Protection Kit' replaces the stock plastic sump guard with a compact designed engine-hugging tubular framework and brushed aluminum sump guard. The Rally Protection Kit offers maximum protection with minimum fuss. It ensures secure frame mounting, thanks to bespoke investment castings that distribute the load to the frame and not the engine.

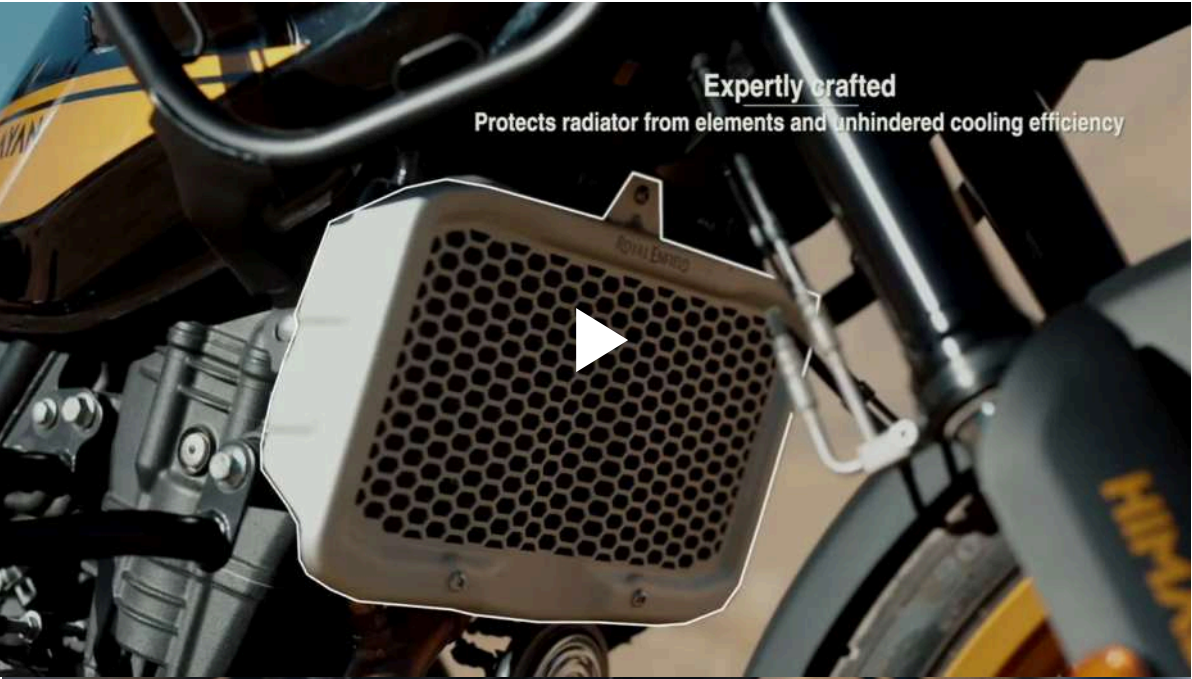

Tubular framework & brushed aluminium sumpguard
Offers Maximum protection

Protective design
Headlight protection against road debris

BLACK HEADLIGHT GRILL

Part No. KXA00444

The Protective Grill is purposefully designed to integrate flawlessly with the LED headlight. It's fully homologated, ensuring headlight protection against large debris and optimizing road visibility for a safer ride.

BLACK RALLY HAND GUARDS

Part No. KXA00426

The Rally Handguards feature a 2-point forged aluminum spine, providing riders with essential hand protection against wind and debris, all while reducing lever impact. They are compatible with both the OE Screen, GMA Adventure Screen, OE Handlebars & Rally Tapered Handlebar ensuring versatility and convenience.

ROYAL ENFIELD

BLACK ROUND MIRRORS

Part No. KXA00435

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

RALLY GEAR LEVER

Part No. KXA00406

Designed for Rally and built to conquer the toughest conditions to ensure you reach the end of the stage.

Crafted from forged aluminium for optimal weight and featuring an adjustable toe peg for riders to fine-tune their setup.

A folding stainless steel peg guarantees a perfectly weighted gear shift and prevents damage from deep ruts or unexpected encounters with the ground.

Gear up for Rally!

Please note, as fitment differs from stock, please refer to the fitting instructions to ensure the correct setting.

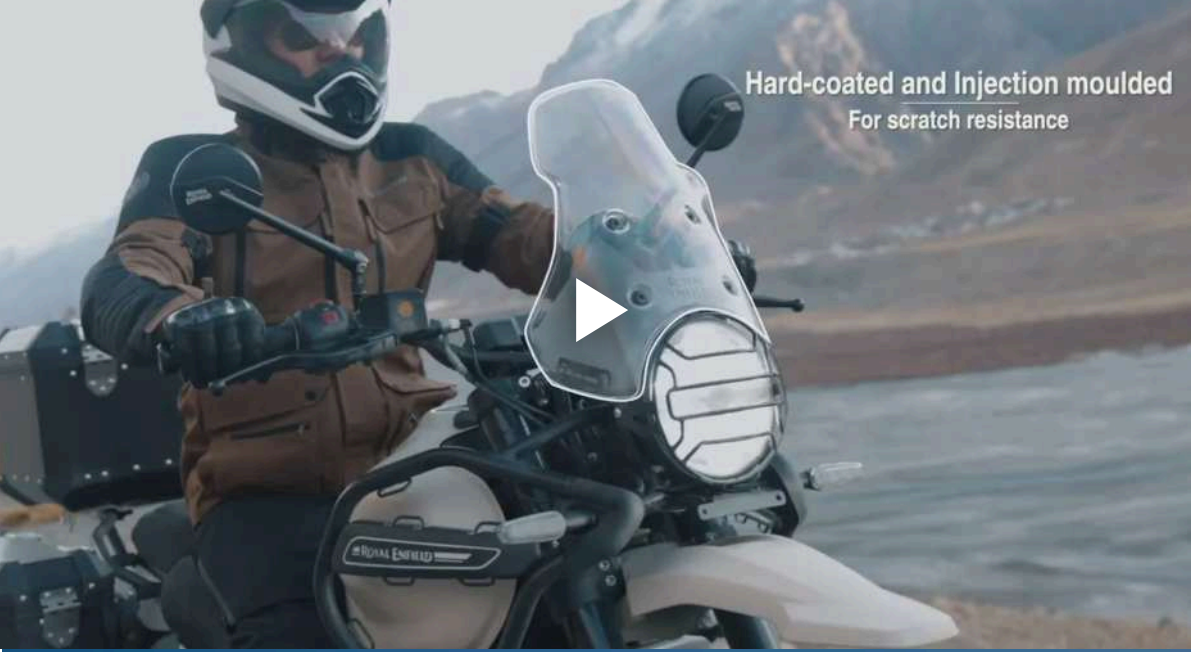

BLACK RALLY HANDLEBAR PAD

Part No. KXA00402

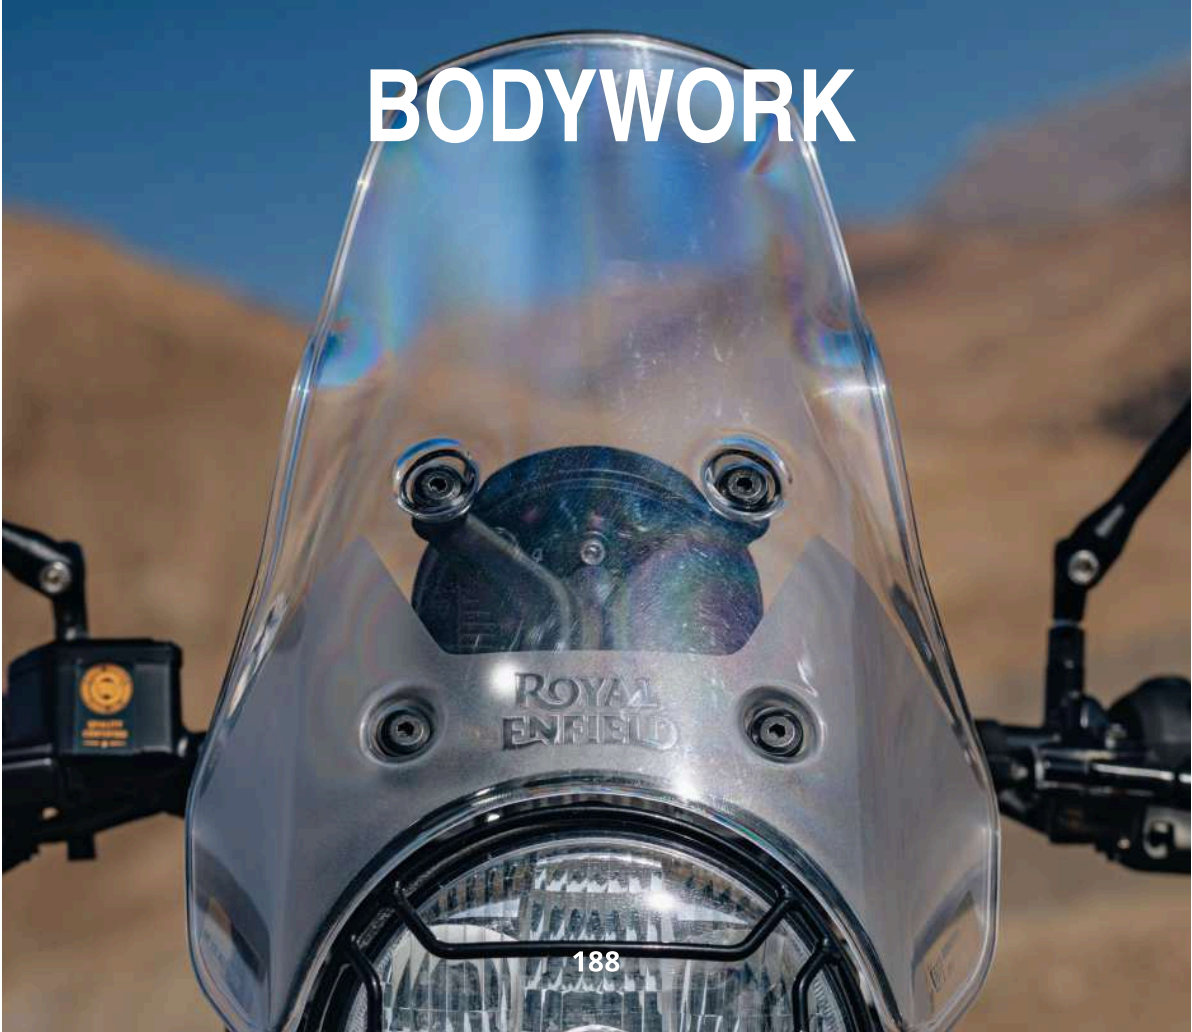

Our self-skinned foam handlebar pad features debossed Royal Enfield branding and is designed for compatibility with both OE and GMA handlebars. It retains access to the USB port, ensuring convenience and style in one package.

Hard-coated and Injection moulded
For scratch resistance

BODYWORK

ADVENTURE SCREEN

Part No. KXA00425

A taller screen for enhanced wind protection, perfect for high-speed travels. This screen is hard-coated for scratch protection, ensuring durability and clarity. It's also fully compatible with Rally Handguards and Handlebars, offering a complete riding solution.

RALLY MUDGUARD

Part No. KXA00410

The Rally Mudguard and Seat are a matched set within the Rally Inspirational pack, engineered exclusively for each other to elevate off-road maneuverability. With their flatter, gripper-seated design, they increase seat height by 34mm. They are not compatible with stock bodywork or seats.

SEATS

BLACK ADVENTURE RIDER SEAT

SEAT HEIGHT INCREASE
+7mm

Part No. KXA00427

For adventure riders spending extended hours in the saddle, our product offers enhanced comfort. It features premium materials and a comfort insole for long-term comfort improvement. It maintains aesthetic compatibility with both rider and pillion seats, allowing customers to change one or both while keeping a matching look, combining style with long-lasting comfort.

BLACK ADVENTURE PASSENGER SEAT

Part No. KXA00428

Provides enhanced comfort for the adventure rider during extended saddle time. This product boasts premium materials and a comfort insole ensuring long-term comfort improvement. It also maintains aesthetic compatibility with both rider and pillion seats, giving customers the freedom to change one or both while preserving a matching look.

SEAT HEIGHT REDUCTION

-11mm

BLACK LOW RIDE SEAT

Part No. KXA00451

This seat provides enhanced accessibility without compromising the suspension travel or the style of your bike. This seat is easy to install and has two-step adjustability settings of 805mm or 825mm.

The Black Low Ride Seat is colour-matched with bike colourways with stock black seats. Customers with other colourways (seeking to colour match) must purchase the stock black passenger seat to match the Black Low Ride Seat. This can be purchased from spares

BLACK ADVENTURE WATERPROOF INNER BAGS

Part No. 1990252

Designed to fit the Aluminium Panniers, these waterproof roll-top bags will ensure your items are kept safe from the elements. It has a single strap that doubles as a carry handle and has a subtle Royal Enfield branding on both sides.

BLACK ADVENTURE PANNIER RAILS

Part No. KXA00432

The utilitarian and rugged pannier mounting kit is the perfect complement to the Himalayan styling and attaches neatly to the frame. Crafted from 18mm mild steel, it's powder-coated to ensure durability in all conditions. The panniers are sold separately, allowing you to customize your setup as needed.

ADVENTURE TANK BAG

Part No. KXA00417

The Adventure-style Tank Bag is expertly designed for a snug fit on your tank contours, ensuring lock-to-lock clearance for easy maneuvering. It comes equipped with a convenient phone pocket that offers access to a charger port and offers a 1 kg/9 liters capacity.

BLACK TAIL PACK

Part No. KXA00442

Easy to assemble and remove, our waterproof, lightweight bag has a generous 3 kg/9 liters capacity. The tail pack can be mounted either to the pillion seat or top box rack giving a versatile combination that can be tailored to your setup, which can be either with no rack and no top box, with rack but no top box, or with top box & with rack.

ADVENTURE TANK RAIL BAGS

Part No.KXA00413

The Adventure-style Tank Rail Bags are thoughtfully designed to snugly fit the tank rail contours of your bike. These bags are not only waterproof but also offer a generous 3 kgs/9 liters capacity each.

RALLY RACKLESS SOFT PANNIERS

Part No. KXA00477

The Rackless Pannier Kit comes with a seat strap and two tail pack bags, making it ideal for off-road riders with soft bag protection. The over-the-seat strap ensures a quick and easy attachment. The Tail Pack bags are fully waterproof, lightweight, and provide a generous 3 kgs / 12.5 liters per side of storage (6Kg / 25L total). In the image, an additional 3 kgs/12.5 liters of capacity from the tail pack can be seen.

Thick-walled aluminium construction & ABS corner protection

Increased durability

ADVENTURE TOP BOX

The robust aluminum top box is the perfect complement to the Himalayan's styling and adventurous spirit. With its thick-walled aluminum construction, ABS corner protection, and a 40-liter capacity and 5kgs payload, it can accommodate most adventure helmets. It's designed for easy removal without the need for tools, featuring an anti-theft mechanism within the box for added security. The lockable lid offers both safety and peace of mind. The top box is water resistance, adding the adventure inner bag (KXA00294) for the full waterproof solution.

The top box mounting plate is available separately.

SILVER ADVENTURE TOP BOX

Part No. KXA00433

BLACK ADVENTURE TOP BOX

Part No. KXA00420

SILVER ADVENTURE TOP BOX MOUNT

Part No. KXA00434

The Stainless Steel Mounting Plate serves as a versatile solution for attaching the Top Box to the rear rack or using it as a standalone luggage platform. It comes with added lash points for secure fastening and has a maximum payload capacity of 5 kgs, providing strength and convenience.

TOP BOX WATERPROOF INNER BAG

Part No. KXA00294

Designed for all Royal Enfield Top Boxes, this waterproof inner bag gives full waterproof protection to your belongings for peace of mind on a wet day. The bag includes a pair of carry handles for quick removal of the bag from the top box and easy use as a day bag.

RALLY SILENCERS - EU/ UK Only

Part No. KXA00408/ KXA00454

Dakar-inspired Rally Silencer has been Co-developed with Arrow Special Parts. It is the only silencer proven to work with the original calibration and meets homologation (Noise & Emissions) for EU ECE R41 markets ONLY. The silencer boasts stainless steel internals, a brushed aluminium sleeve and a carbon fibre heat shield for an authentic Rally look. The exhaust tone is significantly improved while still meeting the homologation requirements. The exhaust exit is 125mm higher than stock to improve wading capabilities with a 15% reduction in weight over the stock silencer.

Intended to be fitted along with the Rally Mudguard KXA00410 & Rally Dual Seat KXA00405 for that true Rally visual, however, the Rally Silencer will also fit with standard bodywork.

(Note the Rally Silencer is not compatible with the ADVENTURE PANNIERS or RAILS 1990200/1990230/KXA00432)

ADVENTURE SOFT PANNIERS

Part No. 1990270

A pair of Adventure-styled rolltop bags made from Premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners.

14,5L volume per bag and a 3kg payload each side together with IPx6-rated waterproofing provide ample capacity and protection for your next excursion. Quick attachment & removal from the motorcycle, carry handles and shoulder straps for easy carrying make them easy to use too.

1990524 BLACK SOFT PANNIER RAILS are needed for mounting these panniers to the motorcycle.

MODERN SOFT PANNIERS

Part No. 1990278

A pair of modern-styled rolltop bags constructed from premium Hypalon and rPET (Recycled Polyethylene Terephthalate) with premium Duraflex fasteners. Each pannier has a volume of 14,5L and can carry a payload of 3kg, providing ample capacity and protection for your next excursion with IPx6 rated waterproofing. Designed for quick attachment and removal from the motorcycle with hand-carry handles and shoulder straps, making them user-friendly and easy to carry.

ELECTRICALS

SILVER LED FOG LIGHTS

Part No. KXA00064

Illuminate the road ahead when fog descends with a pair of powerful LED fog lights. Producing 1080 Lumens per pair, thrown over a wide photometric spread, the lights will help you to see and be seen in conditions of poor visibility.

BLACK LED FOG LIGHTS

Part No. KXA00075

Illuminate the road ahead when fog descends with a pair of powerful LED fog lights. Producing 1080 Lumens per pair, thrown over a wide photometric spread, the lights will help you to see and be seen in conditions of poor visibility.

ENGINE

Genuine Motorcycle Accessories

PROTECTION

**AIRFLY ENGINE GUARD,
BLACK**

Part No. KXA00001

**AIRFLY ENGINE GUARD,
SILVER**

Part No. KXA00002

Add protection to your ride with the Airfly engine guard. Made from a 32mm steel tube, it is corrosion-resistant and engineered for a perfect fit. With the horizontal tubes following the same lines as the tank and a slash-cut upright tube finished with a branded insert, it offers maximum protection in an authentic style.

**AIRFLY EVO ENGINE
GUARD, BLACK**

Part No. KXA00003

**AIRFLY EVO ENGINE
GUARD, SILVER**

Part No. KXA00004

Give your motorcycle a distinct look while adding a layer of protection with the Airfly Evo engine guard. Made from a 32mm steel tube, it is corrosion-resistant and precisely engineered for a perfect fit. The lighter and simpler design makes it an ideal choice for easy riding while having a modern look.

TRAPEZIUM ENGINE GUARD, BLACK

Part No. KXA00007

TRAPEZIUM ENGINE GUARD, SILVER

Part No. KXA00008

Go for bigger adventures with the added protection and unique angular styling of the Trapezium engine guard. Made from a 32mm steel tube, it comes with dual powder coating for corrosion resistance. It is precisely engineered to fit, and comes with contemporary Royal Enfield branding.

OCTAGON ENGINE GUARD, BLACK

Part No. KXA00005

OCTAGON ENGINE GUARD, SILVER

Part No. KXA00006

Add a layer of protection and style with the smooth lines of the Octagon engine guard. Made from a 32mm steel tube, it comes with a dual powder coating for corrosion resistance. It is precisely engineered to fit, with contemporary Royal Enfield branding.

SUMPGUARD, SILVER

Part No. KXA00651

When riding on rough terrain, add a layer of protection to the engine and lower frame rails with this sumpguard. It consists of a pressed heavy duty aluminium alloy plate which is then hard anodized to give a durable finish, with centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

SUMPGUARD, BLACK

Part No. KXA00652

When riding on rough terrain, add a layer of protection to the engine and lower frame rails with this sumpguard. It consists of a pressed heavy duty aluminium alloy plate which is then hard anodized to give a durable finish, with centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

*Also available with Black rubber insert (KXA00030/31)

BROWN FOOT CONTROL RUBBERS

Part No. KXA00183

Experience unparalleled comfort and control with our top-of-the-line foot control rubbers. Designed for both performance and durability, they ensure a secure grip and superior feel, making every ride smoother and more enjoyable.

BROWN HANDLEBAR GRIPS

Part No. KXA00189

Upgrade your riding experience with our custom brown motorcycle handlebar grips. Crafted from premium, high-durability materials, these grips offer both a stylish and comfortable upgrade. The rich brown finish adds a classic touch to your bike, while the textured surface ensures a secure, non-slip hold. Brown inspirational kit: mention all relevant brown parts.

BLACK ROUND BAR END MIRRORS

Part No. KXA00461

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

BLACK ROUND MIRRORS

Part No. KXA00435

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

BAR END MIRROR MOUNTS

Part No. KXA00125

They have been forged and machined with aluminium stems to offer strength and stability.

BLACK TOURING HANDLEBAR

Part No. KXA00800

The Touring Handlebar kit is specially designed with long distances in mind. It is ~33mm taller & ~4mm wider, thereby giving a more relaxed riding position to tackle the long journey ahead.

The kit consists of all components required:

- Black Powder Coated Steel Handlebar
- Extended control cables

BLACK SIGNATURE BENCH SEAT

Part No. KXA00139

The Signature Bench seat brings an element of retro, stripped down style to your motorcycle, especially when used in conjunction with the KXA00142 Tail Tidy. The soft-touch ribbed vinyl and bench styling elevate your Hunter 350 and the saddle forms a more ergonomic shape around which to feel closer to the riding experience.

BLACK CUSTOM SEAT

Part No. KXA00140

The Custom seat is a more sporty iteration of the Stock seat styling, but brings with it a refinement in quality as well. It has a narrower profile and tighter back end to improve the aesthetic, but these are combined with plush finish and 3D net technology to provide a comfort improvement as well.

Red stitching finished this seat off nicely and draws a parallel with the iconic Royal Enfield Cafe Racer seat styling.

When combined with the KXA00142 Tail Tidy, this Custom seat will provide a significantly sportier aesthetic and feel to your Hunter 350.

BLACK LOW RIDE DUAL SEAT

Part No. KXA00631

The Black Low Ride Dual Seat lowers the seat height by 21mm while maintaining ample foam thickness to ensure even weight distribution and long-lasting comfort on extended rides.

Designed to be waterproof, it also features a heat-embossed Royal Enfield logo, adding a touch of style and authenticity.

BLACK PASSENGER BACKREST MOUNTS

Part No. KXA00141

Styled for the HNTR 350, the passenger backrest Mounts are cast aluminium and which provide the mounting structure for the Black Backrest Pad.

*Black Passenger backrest Pad (KXA00158) is available separately.

BLACK PASSENGER BACKREST PAD

Part No. KXA00158

The black backrest pad has been designed to support the lumbar of the pillion. Constructed in the same manner as the seats themselves it's the perfect match.

*Passenger Backrest Mounts (KXA00141) is required and available separately.

STRUCTURED DESIGN

* Designed for the Stock seat only"

TAIL TIDY

Part No. KXA00142

Tidy up the tail of your Motorcycle and give it a sporty look with this minimalistic mudguard and number plate mount.

Replacing the stock mudguard with a much smaller one, the tail tidy relocates the tail light, indicators and number plate to bring them closer together and inboard towards the seat. This enhances the sporty aesthetic of the HNTR 350, especially when combined with the KXA00139 Signature seat (available separately)

TINTED FLYSCREEN

Part No. KXA00126

Speed through the wind with the injection-molded tinted flyscreen which adds a level of wind protection when you ride. This is an easy to fit flyscreen.

Note:

KXA00126 is compatible with Hunter 350 motorcycles with Halogen Headlamp setup.

KXA00655 is compatible with Hunter 350 motorcycles with LED headlamp setup.

Part No. KXA00072

The Touring Passenger seat comes with a bespoke cushion that gives maximum support on long rides. Its dual-density foam controls the comfort with an upper, open-cell layer combined with 3D net technology to evenly distribute weight and iron out high-stress spots. This is laid over a firmer main body of foam to provide more support. The seat surface has a luxurious feel with the ribbed vinyl. The piping, stitching and embossed logo add to the classic nature of the seat. Also available in black.

*Brown Touring Rider Seat KXA00070 is available separately.

RIDER SEAT SPRING KIT, SILVER

Part No. KXA00080

Give your seat a vintage look with the rider spring seat kit. The springs mount underneath the accessory or stock rider seat to enhance the authentic style.

REAR RACK, BLACK

Part No. KXA00091

Keep your motorcycle ride-ready with this black-powder coated luggage rack. Made from a 16mm steel tube, it is versatile, and corrosion-resistant. It mounts behind the passenger seat and includes an integrated grab handle for the passenger.

Load Limit: 3Kg

TOURING RIDER SEAT, BLACK

Part No. KXA00069

The all-new Touring Rider seat with dual-density foam offers more support and confidence to the rider. Also, the use of 3D net technology evenly distributes weight while adding to the comfort. The ribbed vinyl gives a luxurious style to the seat, while the piping, additional stitching and embossed logo add to the premium nature of this seat. Also available in brown.

*Black Touring Passenger Seat KXA00071 is available separately.

TOURING PASSENGER SEAT, BLACK

Part No. KXA00071

The Touring Passenger seat comes with a bespoke cushion that gives maximum support on long rides. Its dual-density foam controls the comfort with an upper, open-cell layer combined with 3D net technology to evenly distribute weight and iron out high-stress spots. This is laid over a firmer main body of foam to provide more support. The seat surface has a luxurious feel with the ribbed vinyl. The piping, stitching and embossed logo add to the classic nature of the seat. Also available in brown.

*Black Touring Rider Seat KXA00069 is available separately.

PASSENGER BACKREST MOUNTS

Part No. KXA00094

SUMPGUARD, BLACK

Part No. KXA00652

When riding on rough terrain, add a layer of protection to the engine and lower frame rails with this sumpguard. It consists of a pressed heavy duty aluminium alloy plate which is then hard anodized to give a durable finish, with centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

SUMPGUARD, SILVER

Part No. KXA00651

Riding on rough terrain? Add a layer of protection to the engine and lower frame rails with the sump guard.

The Sump Guard consists of a pressed heavy-duty alloy plate which is then brushed. A Royal Enfield branding is centered. Two mounting screws and two mild steel plates enable fitment to the motorcycle. It provides essential protection to the engine and frame tubes from debris off the front tire or through bottoming out whilst dropping off edges.

BLACK ROUND BAR END MIRRORS

Part No. KXA00461

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

BLACK ROUND MIRRORS

Part No. KXA00435

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

BAR END MIRROR MOUNTS

Part No. KXA00277

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM bar end finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

*1990401 & KXA00276 Bar End Mirrors are available separately

SEATS | BODYWORK

TOURING RIDER SEAT, BROWN

Part No. KXA00074

The all-new breed of Touring Seats for Meteor with a bespoke seat cushion, extra lumbar support and flatter larger base surface, provides maximum support on long rides. The use of 3D net technology evenly distributes the weight while adding to the comfort. The additional stitching and an embroidered logo add to the premium nature of this seat, giving you a true highway cruiser experience. Also, available in Black color.

TOURING PASSENGER SEAT, BROWN

Part No. KXA00068

With a higher front surface to support the lumbar portion and the same 3D Net technology as the Touring Rider seat, the Touring Passenger seat provides enhanced comfort on those long rides. Also, available in Black color.
